Auto Repair Manual

A one-of-a-kind guide to organizing your fridge--including practical tips for meal prep and storage, plus more than 100 recipes--that make it easier to eat better, save money, and get the most out of your food Practicing "fridge love" is a roadmap to eating healthier, saving money, and reducing food waste while enjoying a beautiful and harder-working fridge. This book--part organizational guide and part food-prep handbook--is your guide. Author Kristen Hong adopted a nutrient-dense, plant-based diet in an effort to lose weight and improve her health. But amid the demands of day-to-day life and a busy family, she found it impossible to stick to. The solution? A smarter, better-organized fridge that works for real-life needs. In this invaluable resource, you will discover how a beautifully organized fridge can make your life--including healthy eating--easier for the whole family--easier. It covers general fridge organization (for all models and configurations) as well as shopping tips, storage guides, the best meal-prep containers, and more than 100 easy plant-based recipes made for meal prepping.
